ACE NAMED AMONG NEWSWEEK'S "GREENEST BIG COMPANIES IN AMERICA"

LONDON, October 6th, 2009 – Newsweek magazine has included ACE in its 2009 [Green Rankings](#) of America's 500 largest corporations. ACE was listed 9th in the [banks and insurance](#) sector and 103rd overall. Companies were ranked based on a weighted average of scores for environmental impact, green policies and reputation.

“We're pleased to earn this recognition for the actions our company is taking to address climate change,” said Evan Greenberg, chairman and chief executive officer. “These actions represent all aspects of our environmental program – from our efforts to improve the energy efficiency of our offices to the environmental risk insurance products and services we offer our customers to the many activities our employees around the world are conducting as part of the [ACE Green program](#).”

The ACE Group is a global leader in insurance and reinsurance serving a diverse group of clients. Headed by ACE Limited (NYSE:ACE), the ACE Group conducts its business on a worldwide basis with operating subsidiaries in more than 50 countries.
